The name of our **principal, vice-principal, and pastor.**

**It is expected that the above information be memorized to present during the first week of school.**

## Summer Packet for Second Grade- Reading/Language Arts

It is expected that all **second graders** come in having **read** at least **10 books**. I will ask for the name and author of the book as well as the number of pages. (anywhere from **50-100 pages**) You will have to write a few sentences tell what you thought of the book and whether or not you would recommend it to a friend. Use the lines below to complete that information. Make sure that you choose different types of books (**fairy-tales, information, fiction**) Your **handwriting will count**. If it is **messy**, you will be directed to **write it again**. If you don't use **complete sentences**, you will have to do it again. **Be careful the first time**, so that you won't have to do the work twice.

## Summer Assignment for Science.

### The Phases of the Moon

There are different phases of the moon the way we see it from Earth. You are to research the different phases, tell what they are, tell the cycle that particular moon phase comes in and how often it repeats. Use the space below to record your information. Use YouTube.com or National Geographic.com to help you.

There are \_\_\_\_\_ phases of the moon.

The phases are:
