Saint Augustine Catholic School

Many of our families initially hear about St. Augustine school through a personal referral from a school family. Through our New Student Referral Program, we'll show you our appreciation for promoting St. Augustine to your family and friends!

* To receive tuition credit, the Referring Family must complete the St. Augustine New Student Referral Form and ensure that the Prospective Family includes the Referring Family's name and Family's name on the Marketing and Referral Form included in the St. Augustine application Packet.

* The bonus of \$250.00 will be given to any staff member or parent who has referred a student who is successfully registered for the upcoming school year.
